We Need Your Help to Keep our Program Strong

A three-year study of 12,00 students in nine high schools revealed that parent involvement is most effective in improving academic achievement. It concluded that, "When parents come to school regularly, it reinforces the view in the child's mind that school and home are connected and that school is an integral part of the whole family's life".

Please indicate where you can participate:

Are you available to tow our 24' equipment trailer to parade and field show events?

Do you know of any businesses that would be will to donate food, water, supplies, equipment etc?
Please list below.

Please let us know about any of the above, or anything else you feel may be important:
