JUNE 2010

Musically Yours

Message from our Band Director

The 2009-10 school year is almost over. The combined rewards of all of your hard work is about to come to fruition as you pass on to another grade or graduate from high school. On that note, congratulations to all of our seniors and thank you for all of their contributions over the past four years.

As we finish up this year it is important to stay on task and finish strong. Our final performance will be at graduation on Thursday June 10th at 4PM in the Citizen's Bank Arena. This is a required performance for all musicians.

Looking ahead to next year we will have a few more students involved in our program. The Monterey park parade performance with Ramona seems to have increased the percentage of musicians staying in band. I look forward to the many new faces we will have next year.

Our field show music for 2010 is entitled "Nightwatch". It is a contemporary composition in three movements, written specifically for field shows. I am excited about the possibilities this music presents for both drill and choreography.

Remember to keep putting money into your trip account for our Spring break 2011 trip to Hawaii.

Keep studying (and practicing).

Musically yours,

Mr. B
