## Musically Yours

Message from our Band Director

Welcome back!

The first week of school is underway and we have adapted the phrase "go with the flow" as our mantra. The ongoing construction project is a bit of a nuisance but the end is near. We are hearing that everything except the swimming pool will be finished by the end of November. All the new stuff looks really good. Wait until we can use the new bathrooms, they are nice.

We have new carpeting in the band room and it really makes the room look and feel better. Soon the whole school will have a new fire alarm system - this is the project that is disrupting our space the most right now.

Students are handling all of the challenges that the new school year is throwing at them. Things like schedule difficulties, drill rewrites, learning a new part, everything is being taken in stride with a positive attitude. This is going to be a great year.

I would like to thank everyone who helped put on the end of band camp barbeque. With all of the donations we received and volunteers who set-up, cooked and cleaned up, we had a great event. The students really appreciated your support.

Our first parade is coming up September 22nd in Duarte. We will take pictures first thing in the morning and then hustle over to Duarte for their "Route 66" parade. Expect the day to last from 7:00am - 2:00pm. Once I receive final information about the parade I will send home an itinerary for the day.

I hope to see you soon at one of our performances.

*Musically yours,  
Mr. B*

## Boosters Corner

*Message from our Board President*

What a wonderful turnout we had for the last day of band camp BBQ and performance. Thank you to everyone that helped with the arrangements, made donations, and most of all to friends and family that were able to attend. We appreciate your support and contributions to the band program.

In case you haven't seen or heard, Michael's Custom Lettering painted our equipment trailer over the Labor Day weekend. WOW! It is nice. Everyone will know when the Don Lugo Marching Conquistadors roll into town.

Thank You Mike Rosas!

Please keep current with your Fairshare obligations. Although a payment is not due in the month of September, it is a good time to catch up if needed. Be sure to participate in our fundraisers. This month is the Cherrydale fundraiser. One half of the profit from the items you sell will go into your fairshare account. Take advantage of the opportunity to earn extra money towards fairshare. For those who participated in the March-A-Thon during band camp, please collect the money from your sponsors and bring it to the booster meeting on September 11. The money will go directly into your fairshare account. We had a very good summer of fundraising. We tried some new things, and improved on some old ones. All in all we raised some of the much-needed funds for the band program. On behalf of the Executive Board, I want to thank everyone for your contributions and support. We have an excellent team of booster parents and volunteers. Show your support and help us win another championship!

See you at the next booster meeting September 11.
